

 Vericut

Free Event @ Tulsa Tech!

JOIN US FOR AN EXCLUSIVE FREE
EVENT TO HELP YOUR STUDENTS
PREPARE FOR **SKILLSUSA!**

Vericut is a key component in the CNC Programmer competitions at SkillsUSA as a simulation and verification tool to ensure CNC programs are accurate and error-free before machining.

Join us to discover how Vericut can transform your students' machining skills and boost their careers in CNC programming and manufacturing.

WHY ATTEND?

- Learn how Vericut is used to simulate and verify CNC toolpaths before running on a machine
- Understand how Vericut is used in the CNC programming competitions at SkillsUSA
- Hear from industry insiders about real-world usage of Vericut in manufacturing

Continental breakfast and lunch will be served
